Re: Charfont Kaiser No. 3: Unit Letter P, Section 12,  
Township 29 North, Range 21 East, Colfax County, New  
Mexico.

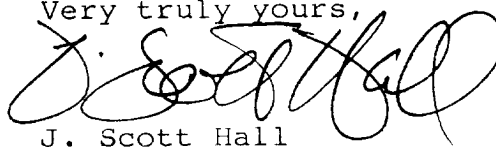

Dear Mr. Ramey:

Enclosed herewith are the C-101 and C-102 Forms for the above-referenced well which is proposed to be spudded next Monday, February 20, 1984.

The information contained on these forms with respect to the exact location and cementing and casing programs are based upon preliminary information provided to us on this date. As soon as the exact information with regard to these areas becomes available to us, we will provide the Division with a supplemental C-101 and C-102 Form. However, in view of the fact that the rather large fee oil and gas lease owned by Charfont Oil & Gas Company is due to expire unless this well is spudded by Monday, we would respectfully request that the Division give its approval to this application to drill on this date.

Please let us know if there is any further information that you require with respect to this application.

Very truly yours,

J. Scott Hall
