Dear Mr. Graham:

This is in reference to the Bravo Dome Carbon Dioxide Gas Unit Well No. 1836 161F completed as a dry hole and converted to a water well on State Oil and Gas Lease No. LG-1558. Attached are two copies of the "Affidavit of Responsibility" executed by Amoco, as operator, and Mr. Roderick F. Rock, Jr., as lessee-landowner. Mr. Rock now assumes full responsibility for the well.

By copy of this letter, we are forwarding the three original executed copies with completed Form C-103's to the New Mexico Oil Conservation Division. Thank you for your assistance in this matter.

Yours very truly,

J.R. RUSSELL
