Dear Mr. Utz,

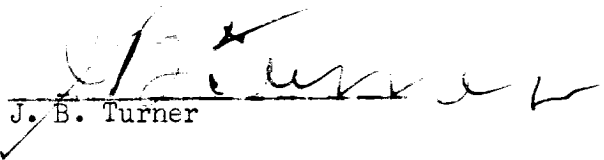

The seven (7) inch casing has been obtained and arrangements have been made with Halliburton for cementing same. This is to notify you of our intention to set this casing in the above mentioned well at 617 feet. Correct notification forms will be forwarded to you upon my return to Clayton in the next few days.

I am indeed happy to have had the opportunity of meeting you on your recent visit to Clayton and trust that I may have the pleasure of seeing you again in the near future.

Sincerely yours,

RICHARD L. NUNN & COMPANY
