Gentlemen:

This is to acknowledge receipt of your Notice of Intention to Drill the above-captioned well.

Approval of said notice must be withheld, however, until plugging bond executed by a responsible surety company authorized to transact business in New Mexico has been received and approved by this office. Plugging bond may be either a \$5,000 one-well bond or a \$10,000 blanket bond.

We would also appreciate receiving five copies of surveyor's plat showing well location at your earliest convenience.

Very truly yours,

D. S. Nutter  
Petroleum Engineer
