

(5) That the owner of the lands upon which the subject wells were drilled contends that said wells were properly plugged and abandoned, and that no further plugging operations are necessary.

(6) That the surface around said wells has been restored and that there is now no surface indication of the location or condition of said wells.

(7) That in order to prevent waste and protect fresh waters said Irwin Well No. 1 and Irwin "A" Well should be plugged and abandoned in accordance with a program approved by the Santa Fe District Office of the New Mexico Oil Conservation Commission on or before June 15, 1975, or any interested party should furnish proof that said wells have been properly plugged and abandoned.

IT IS THEREFORE ORDERED:

(1) That Oil Exploration, Inc. and General Casualty Company of America are hereby ordered to plug and abandon the Irwin Well No. 1 and Irwin "A" Well, both located in Unit D of Section 29, Township 21 North, Range 36 East, NMPM, Union County, New Mexico, on or before June 15, 1975, provided however, that the Secretary-Director of the Commission may rescind this order upon a satisfactory showing of proof that said wells have been adequately plugged.

(2) That Oil Exploration, Inc. and General Casualty Company of America, prior to plugging and abandoning the above-described wells, shall obtain from the Santa Fe Office of the Commission, a Commission-approved program for said plugging and abandoning, and shall notify said Santa Fe Office of the date and hour said work is to be commenced whereupon the Commission may, at its option, witness such work.

(3) That jurisdiction of this cause is retained for the entry of such further orders as the Commission may deem necessary.

DONE at Santa Fe, New Mexico, on the day and year hereinabove designated.
