The Dates of this work were as follows:

Notice of intention to do the work (was) ~~(was not)~~ submitted on Form C-102 on Aug. 25, 1951,

DETAILED ACCOUNT OF WORK DONE AND RESULTS OBTAINED

Well drilled to a depth of 969 feet; 294 feet of 10" casing in well; 577'-9" of 8" was set, but about 371 feet of it later pulled, and the remainder was accidentally dropped back in the hole. I am willing to accept the hole as it now stands, relieving the Richard L. Munn Company of further responsibility as to plugging, for the reason that I want to use the well for irrigation purposes if on test it develops that it will furnish sufficient water, and if not, use it for stock watering purposes.

Witnessed by C. P. Talbot JIM HOPSON, Owner of land on which well
