**Re: Wayne Freeman, Jr.,
#1 Ferol L. Smith
C 8WSW Sec. 15-29N-32E
Union County**

Dear Sir:

This will confirm today's telephone conversation with you concerning the final clean-up at the above captioned well. Mr. Smith, the land owner, is not completely satisfied with Mr. Freeman's manner of abandonment. Mr. Smith still contends that the sum of \$75.00 is still due him as compensation for the clean-up which he took care of at his own expense, and which by rights was Mr. Freeman's responsibility.

Consequently until Mr. Smith is satisfied we cannot cancel Mr. Freeman's plugging bond.

Very truly yours,

**EUGENE A. CHAVEZ,
Oil & Gas Inspector - Dist. #4**

Sir:

I am writing to you regarding the release of the oil well in the ...
The well was cleaned up at the above captioned well. In fact, the
clean-up was not completely satisfied with Mr. Freeman's manner
of operation. Mr. Smith still contends that the sum of \$75.00 is
not the fair compensation for the clean-up which he took care of
in his own expense, and which by rights was Mr. Freeman's respon-

sibility. Accordingly, Mr. Smith is insisting we cannot cancel Mr. Freeman's
check.

Very truly yours,
