Mr. Carl Ulvog
Senior Petroleum Geologist
Oil Conservation Division
P. O. Box 2088
State Land Office Building
Santa Fe, New Mexico 87501

Dear Carl:

Please find enclosed a set of logs on the #1 NZ well. I am sorry that I missed you at the well. I have a set of samples for the Bureau of Mines in Socorro and will mail them down in the near future. We encountered enough shows to believe that we should run casing and test the well.

Best wishes,

Val R. Reese
