Re: Penteco Trinity Wells
No. 1, 1-x, 2, 3, and 4
19 - 6N-2W
Valencia County, NM

Dear Mr. Jones:

A review of the above-referenced well files has indicated that Brana Corporation is delinquent in filing the appropriate completion forms and copies of all logs run. A breakdown of the data needed is as follows:

1. Penteco Trinity Well No. 1 & 1-X
Form C-105's
2. Penteco Trinity Well No. 2
Form C-105, Log run #1-i.e. 0-1834' - All logs
3. Penteco Trinity Well No. 3
Form C-105, Logs - i.e. BCN & BCD
4. Penteco Trinity Well No. 4
Form C-105, All logs from surface to T.D.

Due to the fact that OCD personnel did not witness the plugging of these wells, please submit a xerox copy of the cementer's work order.

Should you have any questions pertaining to this matter, please contact me at this office.

Sincerely,

ROY E. JOHNSON
Senior Petroleum Geologist
