Dear Betty,

~~Dear~~ I will be out of town Monday, Tuesday and Wednesday, so please wire me in Hobbs if you can get this information.

If there is a well drilling in Valancia County known as the Tom Bailes #2 Von Glahn, or the Bailes-Von Glahn #2 Dalies Townsite, Located in sec. 5, T 6N R. 1 E. send me the foot location, and the approximate spud date. If there is no record of it in your office, e just forget about it. It isn't necessary to chase down such a rumor, even though it is in my district this week.

Thank you,
