Gentlemen:

Reference is made to your letter of March 24th wherein you granted an extension of time until April 26, 1958, to plug the Ringle No. 1 and 3 Wells on the Tome Land Grant in Valencia County.

While weather conditions are such that we are able to get into the land grant, at the present time the rig which we will use on this job is currently engaged in drilling another well. If an extension of ten days from April 26th is granted, we are sure that we will be able to plug the wells in that time.

Very truly yours,

H. Pearl Dennisson
