Oil Conservation Comm.  
Santa Fe,  
New Mexico

Gentlemen:-

Enclosed is application to plug No 1 and 3 Tome  
Grant wells.

Our records have been shifted from one court  
to another that now I am not able to find any, so wish  
you to please complete these locations from your records.

I propose using the Hydraulic jack Co, from  
Farmington.

Yours very truly,

By

Cecil S. Ringle
