CECIL RINGLE,  
ROY SHELP

Plaintiffs,

-vs-

TOWN OF TOME LAND GRANT,  
a corporation, et al.,

Defendants,

No. 8005

JACK AGUAYO,

Third Party Defendant.

DECREE AND JUDGMENT

This matter came on for hearing on regular setting at Los Lunas, New Mexico, on the 9th day of July 1957; all the parties were present, the Plaintiffs represented by their Attorney, J. Ernest Corey, the Defendant, The Town of Tome Land Grant, by its Attorney, Gilberto Espinosa, the Third party Defendant by his Attorney, John E. Hall.

The Court having heard the testimony of the witnesses and received the documentary evidence presented and heard argument of Counsel, and the parties by their attorneys, having waived the offering of Findings of Fact and Conclusions of Law, whereupon the Court upon its own determination Finds:

-1- The Town of Tome Land Grant, a corporation, Defendant, was justified in taking the steps that were taken in order to secure the removal of the drilling rig from its property in view of the fact that the Plaintiff had failed to remove it although ordered by the Court to do so and also requested by the Defendant, to do so.

-2- The Court finds, however, that the Town of Tome should not profit by the transaction had.
