

Memo

Oct 27, 1958

From
Richard L. Stamets
Geologist

To Boddy

An inspection of the
Ringle Well Nos. 1, 2 & 3
in secs 34 & 35, T6N, ~~to~~
R.4E., was made Oct 21,
1958 and the locations
were in good condition.

It is OK to release
the plugging bond
for these three wells
