Attention: Mr. Utz

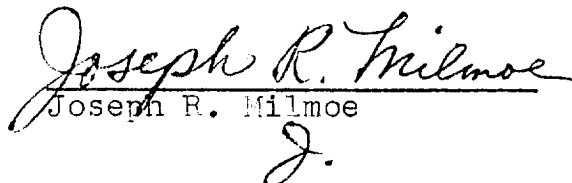

Gentlemen:

I would like to know if the Sunol Oil Company of San Jose, California have renewed their permit for the Sunol No. 1 in Valencia County. Also, can these permits be renewed repeatedly, or are there limitations upon such renewals.

I understand that there is another lease in the same area called El Capitan Community Oil and Gas Lease. Do you have any permit for a well to be drilled on such a lease, or can you tell me whom I should contact to locate the operators of this lease.

I will appreciate a prompt reply, as it will affect our activity here.

Yours very truly,

Joseph R. Milmoe
