Attention: Mr. Elvis A. Utz, Gas Engineer

Dear Mr. Utz:

I have been advised in a round-about way that Sunol Oil Company of San Jose, California applied for a permit to complete drilling a well in Valencia County near the townsite of Bailes, known as San Clemente No. 1.

This is the well which you mentioned in your letter to me of June 8th. On behalf of the landowners agent, E. M. Lynn, and for myself as a landowner, I am writing to inquire whether this application has been received by the commission and especially whether the necessary approval has been granted.

If not, would you kindly tell me when the commission's next meeting is scheduled at which this application might be considered?

Thank you very much for your assistance.

Very truly yours,

Joseph R. Milmo
