New Mexico Oil Conservation Commission  
P. O. Box 871  
Santa Fe, New Mexico

Dear Sir:

I am enclosing herewith three copies of survey made for Mr. Tom Bailes in May 5, 1950 showing  $SE\frac{1}{4}$  of  $SE\frac{1}{4}$  of Section 32, T 7 N, R 1 E, N.M.P.M.

This is the survey that Mr. D. L. Wade of the Sunol Oil Company mentions in their Notice of Intention to Drill.

I have shown on the map the location of the proposed well, however when I made this survey I was not asked to locate this point by actual survey, at that time I was instructed to locate and mark the  $SE\frac{1}{4}$  of the  $SE\frac{1}{4}$  of Section 32.

The Sunol Oil Company has not contacted me regarding this survey and no arrangements have been made to take care of any charges.

Yours truly,
