OIL CONSERVATION COMMISSION

P. O. BOX 871 SANTA FE. NEW MEXICO

June 9 - 1952

Mr. A. E. Krull American Surety Co. of New York 510 South Spring Street Los Angeles 13 - California

Dear Sir: RE: J. E. Haddock, Woodruff et al \$5,000.00 onewell bond; NW NE NE 19-5N-3E, Valenica County; 2-2-44

We refer to your letter of June 6 with question as to whether we have been supplied with the proper form or affidavit to indisate that the well drilled on the described tract has been plugged in accordance with the Commission's rules and regulations.

A check of the well file shows that no such form has been received. The file indigates that on May 25, 1950, a letter was sent to the principals regarding same, but apparently there has never been any response to this letter. The bond is therefore still active in our files.

Very truly yours,

R. R. Spurrier Secretary - Director
