17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Well shut in gas well. Waiting on gas line which Raton Natural Gas has said it would be willing to construct if we get more gas production in the area. Gas has been encountered in the Mora Ranch #3 located within 1 3/4 miles from the subject well. If Mora Ranch #3 is successfully completed as a gas well, then the pipeline company will have two wells from which to draw in the area.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
