Mr. Tavarez,

OCD has received your closure report and final C-141 for **Fascinator Federal Com #703H** NMOCD Ref. No. **1RP-5633**, thank you. This closure is approved.

As a reminder, per 19.15.29.13, the disturbed area should be reseeded in the first favorable growing season following the closure of the site along with any additional requirements set by the landowner.

Regards,

Cristina Eads

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
