**RE: Closure Approval of Discharge Plan GW-034  
Kutz Compressor Station  
San Juan County, New Mexico**

Dear Mr. Bays:

The NMOCD has received the letter dated January 30, 1996 for the **Closure of the EPFS Kutz Compressor Station GW-034 Discharge Plan** located in Section 15, Township 29 North, Range 12 West, NMPM, San Juan County, New Mexico. The closure of the EPFS Kutz Compressor Station GW-034 was submitted pursuant to WQCC Section 3107 A.11 and is hereby approved.

Please be advised that OCD approval of the closure for this facility does not relieve EPFS from liability should it later be found that contamination exists at the GW-034 site. Further, OCD approval does not relieve EPFS from compliance with other Federal, State, or Local rules and regulations.

On behalf of the staff of the Oil Conservation Division, I wish to thank the staff of EPFS for your cooperation during this discharge plan closure. If EPFS has any further questions or comments please contact Patricio W. Sanchez at (505)-827-7156.

Sincerely,

  
William J. LeMay  
Director  
WJL/pws
