Bruce,

The OCD has approved the Final C-141 for incident # nJXK1606056611 (1RP-3071). No further action is required at this time, however more sampling may be required during reclamation of the site after plugging and abandonment of the well. The signed C-141 can be found in the online image data base under the incident #.

Please let me know if you have any questions.

Thanks,

Cristina Eads

OCD approval does not relieve the operator of liability should their operations fail to adequately investigate and remediate contamination that may pose a threat to groundwater, surface water, human health or the environment. In addition, OCD approval does not relieve the operator of responsibility for compliance with any other federal, state, or local laws and/or regulations.
