To Whom it May Concern,

Under the new spill rule a Work Plan or Closure Report is due for the above release on August 5, 2020. Upon unexpected situations due to COVID-19, re-sampling has not yet been completed. COG is requesting a two-month extension until October 5, 2020 in order to schedule re-sampling and prepare remediation at risk, if needed. Please let me know if you have any questions or concerns.

Thank you,

Brittany N. Esparza
