Dear Mr. Kapteina:

As the bonding company for the above named principals, demand has been made on us to make the necessary arrangements and to properly plug this well by June the 30th, 1960. In order that we might obtain the necessary bids for plugging of this well, we will need to know what your requirements are and what type of program of plugging will be acceptable to you. We would appreciate your letting us have this information as soon as possible and also we would appreciate your advising us the names and addresses of any contractors in your area with whom you have had experience who might like to bid on this job.

Your kind assistance and cooperation in this matter will be appreciated.

Yours very truly,

R. L. Chance
