

NEW MEXICO OIL CONSERVATION COMMISSION
Santa Fe, New Mexico

MISCELLANEOUS NOTICES

Submit this notice in TRIPLICATE to the District Office, Oil Conservation Commission, before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

(40-acre Subdivision)

Cplfax

County.

FULL DETAILS OF PROPOSED PLAN OF WORK
(FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS)

On May 16th 1963, we began drilling below the surface pipe which we set and cemented as reported in my letter to you, and this report is a supplementary report bringing you up to date.

We are now drilling at 580' after having a great deal of rig trouble but the drilling is very uniform with no lost circulation or water encountered.

Approved....., 19.....
