Dear Sirs:

Re: Franks-LaRoe No 1 Well
SE 1/4 Sec. 19, Twp. 27 N
R 22 East
Colfax County, N. M.

I regret that the rig which was to drill this well has been unable to get to our location where I have assembled surface pipe and am ready to begin operations just as quickly as a rig is available.

I thought I should advise you as to the present status of this proposed well and just as quickly as I can get a rig on location I shall advise you immediately.

Yours very truly,

Willard C. Franks

Operator
