Dear Sir:

Please refer to the attached form received from your company.

We must advise that this office does not handle rentals or any of the points involved in your request. If the well is on a state lease, you might receive such information from the State Land Office, Santa Fe; if it is on privately owned land, the information would have to be obtained from the landowner.

This office holds the F. E. Sauble bond as a plugging bond only, to insure that the well will be properly plugged.

Very truly yours,
