Re: Mesa Ranch Well No. 1
Sec. 27, Twp. 25N,
Rge. 21E, Colfax County,
New Mexico

Dear Sir:

In regards to your letter dated May 2, 1957.
Please be advised that we did not run either an electric
or radioactivity log on this shallow well and the
cutting samples were to be delivered to the New Mexico
Bureau of Mines by Mr. Jim Curtis, managing owner of the
Mesa Ranch on which this well was drilled, being that
I am in Los Angeles I would appreciate it if you would
send me your form C-105 so I may complete your request.

Thanking you very kindly for your past
cooperation.

Sincerely Yours,

Lyle A. Garner
