Brooks Exploration, Inc.
718 Seventeenth Street
Denver, Colorado 80202

Subject: N. M. State Well No. 1
D-21-26N-26E
Colfax County, New Mexico

Gentlemen:

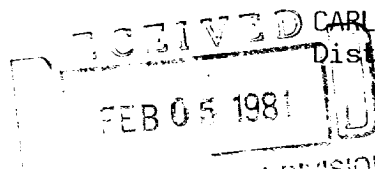

Attached is a copy of the most recent report pertaining to the subject location. You will note that it has not been approved. New Mexico Regulations forbid approval unless the Form C-105 is completed and submitted with a copy of the bore-hole surveys. (See Rule 202 and Rule 1102).

Subsequent to receipt of a copy of the letter from you to Mr. Seward, dated August 25, 1980, (and a later call from Mr. Seward) the location was inspected and found to be clean and level.

If you could supply this office with the data mentioned above, the abandonment can be approved and the file closed.

Yours truly,

CARL ULVOG
District IV Supervisor
