Dear Mr. Hardy:

As per our telephone conversation last week, this office has yet to receive the required information on the above-referenced well as outlined by our rules and regulations. This office is unaccustomed to explaining operating procedures in this state to a company of your size and stature. We expect to have copies of all reports and all logs into this office by the first of the next year.

Sincerely yours,

  
ROY E. JOHNSON,  
Sr. Petroleum Geologist
