La Mance Drilling Company
P.O. Box 2686
Midland, Texas

General Crude Oil Company
314 Commerce Building
Abilene, Texas

Gentlemen:

RE: General Crude Oil Co. Simpson No. 1,
Sec. 21, T-10-N, R-23-E, Guadalupe
County, New Mexico (Formerly La Mance
Drilling Co. Simpson No. 1)

This is to advise that the transfer of the above-captioned well from La Mance Drilling Company to General Crude Oil Company has this date been approved by the New Mexico Oil Conservation Commission, effective June 6, 1955.

The New Mexico Oil Conservation Commission hereby releases La Mance Drilling Company from its one-well plugging bond for this well, with the understanding that General Crude Oil Company on June 6, 1955, assumed full responsibility for the well under its blanket plugging bond.

One approved copy of the statement of transfer is returned herewith. Your attention is called to the corrected description of location, which should have been Section 21, T-10-N, R-23-E, rather than Section 2, T-10-N, R-23-E, as was given.

Very truly yours,

orig /s/ WBM

OIL CONSERVATION BOARD OF
P.O. BOX 831
SAINT PETERSBURG, FLORIDA

10/1/54

COPY

TO THE MEMBERS OF THE BOARD
FROM THE SECRETARY
SUBJECT: REPORT ON THE PROGRESS OF THE BOARD'S WORK DURING THE YEAR 1953

The Board has been very busy during the year 1953. It has held many meetings and has received many reports from the various oil companies. It has also been very active in its efforts to conserve oil and to promote the use of oil in the most efficient manner possible.

The Board has been very successful in its efforts to conserve oil. It has been able to reduce the consumption of oil in many areas and has been able to promote the use of oil in the most efficient manner possible.

The Board has also been very active in its efforts to promote the use of oil. It has been able to increase the production of oil in many areas and has been able to promote the use of oil in the most efficient manner possible.

Very truly yours,
