Mr Roy Warburg
Hobbs N. J.

Dear Mr Warburg:

I was down to see you Friday & you were out. Would like to have talked to you, about the deal you were talking about over in the west part of state.

Knewler wants to quit. Don't want to spend any more money.

I haven't been able to work out any trade with him. Come by when you are in this part of country would like to talk to you.

If I haven't filled out the right form for plugging, please what to do

Sincerely yours
Lester Henderson
