Attn: Carl Ulvog, Dist. IV Supervisor

Gentlemen:

In reference to my letter of March 14, 1983, regarding disposition of borehole in Sec. 9, T21N, R29E, Harding County, New Mexico, I wish to state at this time that Amoco has completed the leveling and reseedling of the site to my satisfaction. They also fixed the roads to and from the site and provided proper reclamation and drainage. It was done under the supervision of Johnny Johnson, Amoco manager at Clayton.

Sincerely,

A handwritten signature in dark ink, appearing to read "C. J. Clavel".
