Re: Case No. 3295
Order No. R-2970

Dear Mr. Powers:

As we discussed during our telephone conversation on September 30, 1965, I am enclosing a certified copy of the above order concerning plugging of the Powers-Marshall Company Well No. 1.

Please note that plugging operations must be completed on or before November 1, 1965, and that the District Supervisor, District 4, Oil Conservation Commission, Santa Fe, New Mexico, must be notified of the exact date and time plugging operations are to commence.

Very truly yours,

J. M. DURRETT, Jr.
Special Assistant
Attorney General

COMMISSION ON CONSERVATION

P.O. BOX 1000
SAN ANTONIO, TEXAS

Dear Sirs:

Enclosed for you are two copies of the report of the Commission on Conservation, Texas, for the year 1964.

The report contains a summary of the work of the Commission during the year and a list of the projects which have been approved for funding.

Very truly yours,
[Signature]

Director

The Commission on Conservation, Texas, is a non-profit organization which was established in 1957. Its purpose is to conserve the natural resources of the State of Texas and to promote the development of a balanced economy.

The Commission is composed of representatives from the State of Texas, the United States Department of the Interior, and the United States Environmental Protection Agency. It is authorized to receive and expend funds from the State of Texas and the Federal Government.
