Mr. A. C. Allan, Manager
Carbonic Chemicals Corporation
Solano, New Mexico

Dear Sir:

I am enclosing your approved copy of your Notice of Intention to Drill, form C-101, dated June 10, 1951, for your Carbonic Chemicals - Mitchell No. 10, SENE, Section 19-19N-30E, Harding County.

I am very sorry for the delay in approving this Notice of Intention to Drill, but I have been out of the office on sick leave for 3 or 4 weeks. I trust that this delay did not inconvenience you.

I am still planning on an inspection tour of the Harding County area as soon as possible and I will certainly drop by to see you.

Very truly yours,

ELVIS A. UTZ,
Gas Engineer
