Dear Dr. Head:

Please find enclosed Oil Conservation Commission Form C-102, which you sent me for approval. From the information I gathered from the log of the well and Form C-102, approved by Mr. Andreas on January 3, 1937, I am enclosing a revised form C-102 for your signature. Please return this to me at your earliest convenience and notify me also when you are ready to start plugging operations as I am required to be on the job when the plugging is done.

Very truly yours,

Roy O. Yarbrough
State Oil and Gas Inspector.

P. S. To refresh your memory and for your convenience, enclosed please find copy of Form C-102, approved January 3, 1937, by A. Andreas, which matter is referred to in the letter above.
