

The operator at Roy said you had left the zone when I arrived
Tuesday night

Mr Yarbrough Jan 14 - 49
Oil Conservation
Hobbs & Mef

Dear Mr Yarbrough

Will you please let me know
when you can meet me at the well
to take the measurement of the CO₂ gas
known as the Miller Head well or
Boca no 2 the one Mr Tudor
called you about, near Mosquero N Mex

Yours Very Truly

OW Stevens
Po Box 2101
Denver Colo

See below p. 10

George Mason with the RFE

called on Aug 31 - 1944 and ask
for left and thickness on producing
formation in head and Miller and
carbonate chemical cap in head
8-29 and 19-19-30

Aug 31 - 20-31
