Gentlemen:

Enclosed are form C-103 in triplicate wherein we request the Secretary-Director of the Commission to grant continued S.I. classification to this well under the powers granted him in Rule 201, Section B (1).

I fully believe this well will be hooked up for sales within a six(6) month period pending the pressure results determined by sales from the Clyde Berlier wells to the east.

Very truly yours,

Bill J. Brooks
President

J.B.R. : Approve extension to 10/1/76.
