New Mexico Oil Conservation Commission
Santa Fe, New Mexico

Gentlemen:

Pursuant to our conversation during the past week, I hereby make application for approval of an unorthodox location in the NE $\frac{1}{4}$ SE $\frac{1}{4}$ NE $\frac{1}{4}$ section 11, T.19 N, R.21 E, N.M.P.M., Mora County, New Mexico. This well is to be known as the H. J. Cox, Clyde Berlier No. 1.

Topographic conditions make it impractical to make this location in the center of the 40 acres due to difficulty and expense involved in road construction and levelling this orthodox location for a drill site.

Yours very truly,

H. J. COX
