BOX 631 - AMARILLO, TEXAS

JULY 27, 1953

MR. R. R. SPURRIER
STATE GEOLOGIST
P. O. Box 871
SANTA FE, NEW MEXICO

RE: OUR TELEPHONE CONVERSATION OF
JULY 24, 1953 REGARDING THE
SHAMROCK OIL AND GAS CORPORATION
#1 A. MACARTHUR, MORA COUNTY,
NEW MEXICO.

DEAR SIR:

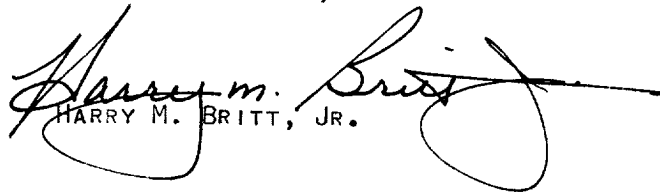

THE CUT OF SAMPLES ON THE ABOVE WELL WHICH WE HAD
MADE FOR THE STATE OF NEW MEXICO WILL BE SHIPPED DIRECTLY TO
YOU TODAY IN SANTA FE. THEY MAY BE RELEASED TO THE PUBLIC
FOR EXAMINATION WHENEVER YOU WISH, AS THE WELL IS NOT TIGHT.

ENCLOSED PLEASE FIND A COPY OF THE SCHLUMBERGER
WHICH WE RAN ON THE #1 MACARTHUR.

ALL TOPS OF WHICH I AM REASONABLY SURE WERE IN-
CLUDED ON FORM C-105. I MIGHT ADD THAT THE WELL DID SPUD
IN THE DAKOTA SAND.

SHOULD WE BE ABLE TO FURNISH ANY FURTHER INFORMA-
TION CONCERNING THIS WELL, WE SHALL BE MORE THAN GLAD TO DO
SO.

VERY TRULY YOURS,

HARRY M. BRITT, JR.

HMB, JR: FWM
ENCL.
