Gentlemen:

I wish to advise that I am transferring the operation and plugging responsibility of the above well to Mr. H. J. Cox of Las Vegas, New Mexico, effective upon Mr. Cox's acceptance of such transfer and assumption of such responsibility and your approval thereof and of his plugging bond.

It is my understanding that Mr. Cox will write you a letter evidencing his acceptance of such transfer and assumption of such responsibility and will tender acceptable bond, and it is requested that you advise me of your receipt and acceptance of same, of the cancellation of the bond which I have on file with you in the matter and of my release from further plugging responsibility with respect to the well.

Please address any communication in this matter to me in care of Liddell, Austin, Dawson & Huggins, Attention Mr. John C. Dawson, 1017 Chronicle Building, Houston 2, Texas.

Very truly yours,

Paul Kayser
