Gentlemen:

Enclosed herewith please find the following:

1. Form C-101, in quintuplicate,
2. \$5,000.00 One-Well Bond Form 39-B1,
3. Well Location and Acreage Dedication Plat, Form C-128, in triplicate,

for filing and approval under your rules.

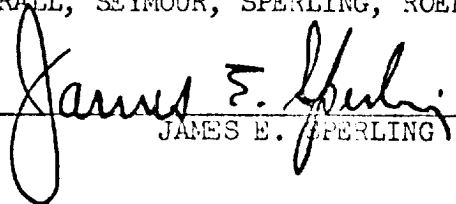

Although the information appears on the forms, I should like to point out that this well is to be drilled by the fee mineral interest owner upon a tract of land which has never been the subject of public land survey. The well location and distances from tract boundary is shown on the plat attached to Form C-101. For obvious reasons it has been impossible to comply with the Section, Township, and Range location designation.

We will appreciate your early consideration.

Very truly yours,

MODRALL, SEYMOUR, SPERLING, ROEHL & HARRIS
