Mr. E. A. Utz
P. O. Box 871
Santa Fe, New Mexico

Dear Mr. Utz:

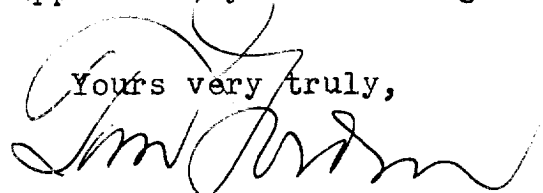

I have your letter of February 28, 1951
acknowledging receipt of the plat regarding the
captioned well.

Your comments as to receiving the bond are
certainly surprising as I mailed by registered
mail on February 22, 1951, this bond together with
a letter advising you that the plat would be forth-
coming within a few days.

My receipt for registered letter is No. 4556
and the letter containing same is addressed the same
as this letter. Inasmuch as Mr. Lawlis has not been
in the office this week, I know that he has not
received the return receipt for registered letter, nor
have it seen it. Therefore, I suggest that you carefully
look for this letter with the bond. Meantime, I will
check here to discover if same actually left this
post office.

In the event this bond turns up since your
letter was written, I will appreciate your advising
us by telegram of same.

Yours very truly,

Tom Gordon
