Mr. R. R. Spurrier,
Oil Conservation Commission,
Box 871,
Santa Fe, New Mexico

RE Paul Lawlis No. 1 Lee SESW
32-6N-30E, Quay County N. M.

Dear Mr. Spurrier:

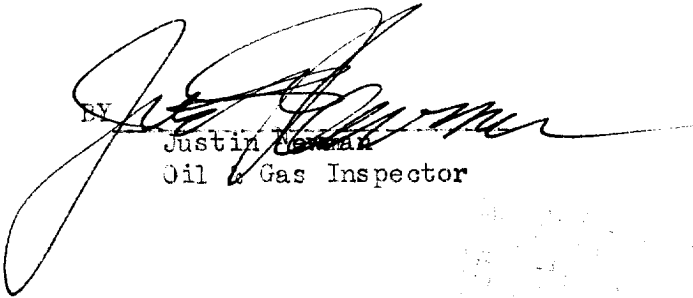

In answer to your letter of Feb. 15th in regard to the above captioned well: I took action to get the Bond, Form C-101 and C-103 after I talked to you about the operation on the telephone. Mr. Tom Gordon, in the Paxton Building, Abilene, Texas, is Mr. Lawlis' attorney. I told him that all forms and supervision of the well would be handled out of the Santa Fe office.

All the forms on this well should have been in the Santa Fe office by last Friday. If you have them, and they are acceptable, I would like to be relieved of any further responsibility of supervising this well.

Very truly yours,

OIL CONSERVATION COMMISSION
