Plugging Bond, J. C. Lee

**Gentlemen:**

Reference is made to your letter of January 11, 1961 requesting confirmation of the Dennis Well No. 1 covered by the subject bond.

This office has no record of the well having been plugged, in fact, the only report filed by Mr. J. C. Lee, pertaining to the drilling of Dennis #1 has been the "Intention to Drill" and the "Location and Acreage Dedication Plat." Mr. Lee was informed by letter on July 20, 1960 that if drilling operations had been commenced he was then delinquent in reports required by the New Mexico Oil Conservation Commission. Receipt of the letter was not acknowledged.

It would be appreciated if you would supply this office with the present address of Mr. Lee so that we might take proper action to dispose of this matter.

Very truly yours,
