Dear Sir:

Regarding our Hoover A-1, we have again sent a man to this location to comply with the requirements as out-lined in your telephone conversation of August 9th. He advises that the marker has been placed securely in the ground, and that the location is again ready for inspection.

Please advise if this location does not now meet your approval.

Very truly yours,

A handwritten signature in cursive script that reads "Jack Stivers". The signature is written in dark ink and is positioned above the printed name "Jack Stivers".
