

NEW MEXICO OIL CONSERVATION COMMISSION

SANTA FE, NEW MEXICO

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

Gentlemen:

Following is a notice of intention to do certain work as described below at the _____
N. G. Penrose **Tippin** **1** **NM**
 Company or Operator _____ Well No. _____ in _____
 of Sec. **35**, T. **12 N**, R. **34 E**, N. M. P. M., _____ Field.
Quay _____ County.

FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

Hole has been drilled to depth of 6128' and is bottomed in schist. No shows of oil and/or gas have been encountered. We therefore propose to abandon the hole and will proceed as follows:

Set a cement plug below salt at 3112'; set cement plug at 1869' on top of salt; set cement plug in bottom of surface casing at 331'; set regulation marker at surface, in 13-3/8" casing; clear location site and leave as nearly in original condition as possible.

Approved **Jan. 26,** **53**
 except at follows: _____, 19____
