Dear Mr. Kapteina:

I received your letter dated October 15, 1973, and was pleased to hear from you.

Please find enclosed the information you requested. I hope this will be sufficient to obtain a release from our plugging bond.

It was my understanding that our geologist had already taken care of this; obviously, he has not.

In regards to the filling of the pits, several months ago we paid Mr. Bob Bond, the ranch foreman, to have this work done. I assume the job has been completed.

Trusting all is well,

Best Regards,

H. R. Sidwell
