Re: Gihon Well No. 1  
G-31-13N-30E  
San Miguel County, New Mexico

Dear Mr. Ingram:

A review of your well file has indicated that you are delinquent in filing copies of all geophysical logs, well completion reports, and the appropriate sundry notices on plugging and abandoning the above-referenced well. This office requires that this information be filed immediately.

Also, please advise this office on the date that this well will be plugged and abandoned.

Sincerely,

  
ROY E. JOHNSON,  
Sr. Petroleum Geologist
