Dallas 5, Texas

Re: \$10,000.00 Blanket Bond
Newton R. Roberts, Principal
Fireman's Fund Indemnity Co.,
Surety.

Dear Sir:

Please find enclosed your approved copy of the C-103, Report on Result of Plugging, for your #1 McCune well in Section 22, Township 11 North, Range 13 East, of San Miguel County.

Regarding the termination of the captioned bond everything is in order as far as the final reports on the wells are concerned but we require a notarized affidavit from the operator stating that only your specified wells, as listed, were drilled under your blanket bond. Please note item (3) under procedures for obtaining release as listed on the enclosed circular on plugging bonds.

Your prompt attention will expedite this matter.

Very truly yours

E. A. CHAVEZ

OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE, NEW MEXICO

March 28, 1955

Mr. Newton E. Roberts
Adm. Bldg.
Dallas, Texas

Mr. Newton E. Roberts, Adm. Bldg.,
Dallas, Texas, is requested to
transmit to the Santa Fe, New Mexico,
Office of the Oil Conservation Commission,
P. O. Box 871, Santa Fe, New Mexico,
a copy of the report of the
McGuire well in section 27, Township 10N,
Range 13E, of San Miguel County,
New Mexico.

Regarding the production of the oil well in section 27, Township 10N, Range 13E, of San Miguel County, New Mexico, the following information is being furnished to you for your information: The well in section 27, Township 10N, Range 13E, of San Miguel County, New Mexico, was drilled under your leasehold. The well was drilled in 1954 and was completed in 1955. The well is currently producing oil at a rate of approximately 100 barrels per day. The well is owned by the Santa Fe, New Mexico, Office of the Oil Conservation Commission. The well is being produced under a leasehold agreement with the Santa Fe, New Mexico, Office of the Oil Conservation Commission. The well is being produced under a leasehold agreement with the Santa Fe, New Mexico, Office of the Oil Conservation Commission. The well is being produced under a leasehold agreement with the Santa Fe, New Mexico, Office of the Oil Conservation Commission.

Your prompt attention will expedite this matter.

Very truly yours
